Guide for completion

Complete one form for each site recorded.

Please complete electronically for submission, even if completed by hand at the time of recording.

Select site type from the Thesaurus list where relevant or put Other and record details

Remember that the HER is a public record. Do not include personal details such as address or contact details on this form.

Add links to 360 tours and where relevant CART webpage or other reference

Continue on a blank page if more space is needed.

A sketch plan of the site may be useful to help locate it in the landscape.
